DR. MITCHELL CHASIN

	Page 30	
1	Q. What type of cosmetic work would	1 hands-on hands-on training in a variety of
2	you have done between 1989 and 2000 before	2 different things about the human body.
3	you	3 Q. Okay. I am trying to get some
4	A. Skin disease, suturing repair of	4 chronology here. After that, did you didn't
5	wounds. A multitude of skin issues.	5 do any fellowships, medical fellowships, after
6	Q. Any plastic surgery did you do at	6 your family medicine residency, did you?
7	that time?	7 A. No.
8	A. Describe plastic surgery for me,	8 Q. You didn't do any additional
9	define it. What a layperson defines may be	9 residencies after your family medicine
10		10 residency?
11	Q. Sure. Fair enough. Did you do	11 A. No.
12	any type of invasive medical procedures on the	Q. You are not a plastic surgeon?
13	face or body for aesthetic purposes?	13 A. No.
14	A. Suturing was an aesthetic medical	14 Q. You are not board-certified in
15	procedure on the face and body. We did that,	15 plastic surgery?
16	yes.	16 A. No.
17	Q. You would agree that suturing is	17 Q. Did you ever do any residency in
18	not always	18 surgery, general surgery?
19	A. Aesthetic?	19 A. No.
20	Q aesthetic?	Q. Did you do any other residency in
21	A. Suturing is always aesthetic.	21 any other specialty or practice other than your
22	Q. In your view, suturing is always	22 residency in family medicine?
23	aesthetic?	23 A. No.
24	A. Suturing should be aesthetic on	Q. So now you spoke about much
25	the face; hopefully it is.	25 training. Can you tell me your first or your
